Dear Mr. Secretary General,

Sub: Letter of Commitment for UN Global Compact Initiative - Reg

I am, Pagidipalli RajaRao (Founder & President of Telangana Kala Parishath), pleased to confirm that Telangana Kala Parishath supports the principles of Global Compact for making the world a better place. With this communication, we express our intent to implement the principles of UN Global Compact. We are committed to making the Global Compact and its principles part of the strategy, culture, and day-to-day operations of our organizations, and to engaging in collaborative projects which advance the broader development goals of the United Nations. We will make a clear statement of this commitment to our associates and the general public. We recognize that a key requirement for participation in the Global Compact is the annual submission of a communication on progress that describes our organization's efforts to implement the Global Compact Principles. We support public accountability and transparency, and therefore commit to report on progress according to the Global Compact COP Policy.

Thanking you.

Your Sincerely

Pagidipalli RajaRao
